

# *The Rider's Seat Clinic*

## Featuring International Clinician Tom Nagel

**Clinic Dates: Friday 9/10 – Sunday 9/12, 2021**

**Hosted by Will Davis Training**

**Presented by Michigan Equine Therapy**

**5390 Pleasant Hill Drive, Fenton MI 48430**

Morning sessions consist of lecture, demonstrations, and unmounted floor exercises. Information about using the psoas (core) muscles for stability and releasing the hyoid muscles to achieve lift in the saddle is presented.

Clinic afternoons consist of small group riding sessions applying the techniques and methods learned in the mornings. Tom does some rider alignment bodywork with the participants during the clinic and each participant receives a complimentary copy of Zen & Horseback Riding.

*All participants are encouraged to audit afternoon sessions.*

**Please note that helmets must be worn while mounted and liability release forms must be signed upon your arrival at the venue.**
